

Bled

Bled is an image of paradise and one of the most beautiful Alpine resorts in Europe. Bled is known for the glacial Lake Bled, which makes it a major tourist attraction. Perched on a rock overlooking the lake is the iconic Bled Castle. It is distinguished by a mild, healing climate and thermal springs of lake water. The town is also known in Slovenia for its vanilla and cream pastry (Slovene: kremšnita, kremna rezina).

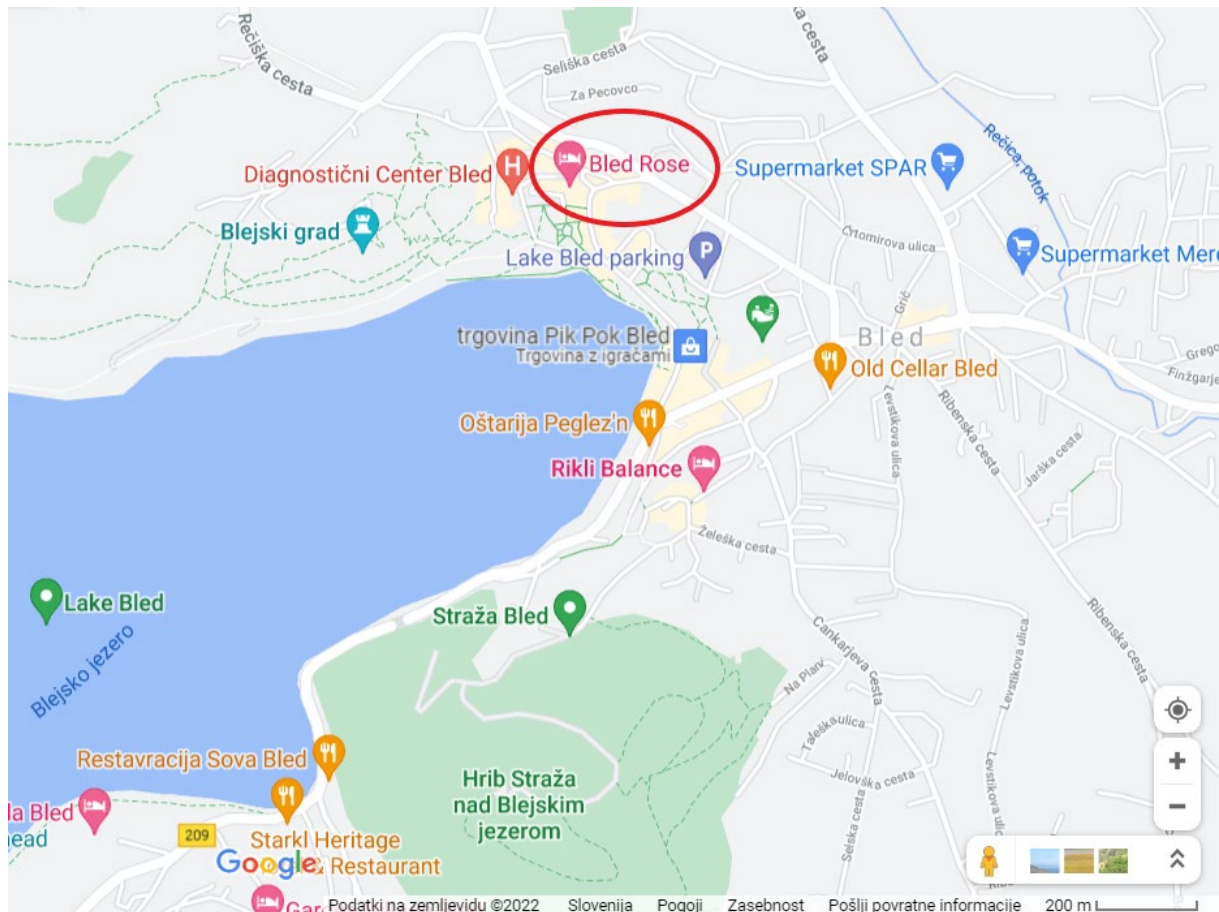

You can find out more about Bled at:

<https://www.slovenia.info/en/places-to-go/regions/alpine-slovenia/bled> or
<https://www.bled.si/en/>

The conference will take place at:

Bledrose Hotel
Cesta svobode 8
4260 Bled
Slovenia

GET IN

<https://www.bled.si/en/information/how-to-get-to-bled/>

By plane:

The nearest airport, the Jože Pučnik International Airport Ljubljana (Brnik), is located 36 km from Bled.

How to get to Bled from the Jože Pučnik International Airport Ljubljana?

- by taxi: Taxi service providers stand on specially marked places in front of Terminal B. Official taxi providers can be identified by [special permits](#), which they have placed under their windscreens. You may also call one of the many Bled taxi services: <https://www.bled.si/en/information/getting-around-bled/2019100917104406/taxi>
- transportation by direct line <http://www.zup-prevozi.eu/>, available upon exiting Terminal B.
- there's a bus taking you directly to Bled from the airport a few times a day <https://arriva.si/en/> (station names: Brnik/airport Ljubljana; Bled). The bus station is located in the immediate vicinity of the passenger terminals in the direction of the multistorey car park.
- by direct bus line to Ljubljana, then taking a connecting bus to Bled <https://arriva.si/en/> (station names: Brnik/airport Ljubljana; Ljubljana AP; Bled)

Distances from other major international airports: Trieste (170 km), Venice (290 km), Zagreb (200 km), Klagenfurt (80 km), Salzburg (230 km), Vienna (380 km) and Budapest (500 km).

How to get to Bled from other airports?

You can get to Bled from various airports around Slovenia:

- by train <https://potniski.sz.si/en/>
or <https://www.bahn.com/en/view/index.shtml>,
- by bus <https://intercity.nomago.si/>,
- one of many private transport services <https://www.goopti.com/en/>.

By bus

Bled is connected with regular bus lines with the immediate surroundings and all larger cities of Slovenia. There are regular bus rides from Ljubljana going through Kranj and Radovljica. Buses also operate from the direction of Bohinj and Jesenice.

The central **Bled bus station** is located on the north-east part of the lake, 3 minutes walking distance from the lake, at the cross-section of the roads Cesta svobode and Grajska cesta.

The **Bled Union bus station** is located at the entrance to Bled, 5 minutes walking distance from the lake.

Bus schedule: <https://www.ap-ljubljana.si/en/> or <https://arriva.si/en/>.

The operator FlixBus provides long-distance bus services to Bled. FlixBus will also take to some of Europe's major cities: Salzburg, Munich, Budapest, Prague, Milan, Zagreb and many others. Coach schedule <https://www.flixbus.co.uk/coach/bled>.

By train

The railway station Lesce-Bled is located along the railway line Oste (München – Salzburg – Villach – Ljubljana – Belgrade – Istanbul – Athens). The railway station is 4 km away from the centre of Bled. Bled can be reached by bus (the Bled bus station is on the opposite side of the railway station) or taxi.

The Bled Jezero railway station lies along the railway line Villach – Jesenice – Nova Gorica – Koper or Gorizia (Italy). It is just 1.5 km away from the centre of Bled and you can walk there, take a taxi or ride the tourist train.

Train schedule:

<https://potniski.sz.si/en/> or <https://www.bahn.com/en/view/index.shtml> or <https://www.thetrainline.com/>.

By car

Bled is 47 km away from the Austrian border (Wurzenpaß) or Italy (Fusine Laghi – Rateče). To reach Bled you can take the highway (direction Ljubljana) and then the exit toward **Lipce** or **Bled**. Alternatively, you can take the regional road Kranjska Gora–Jesenice, passing by Blejska Dobrava čez Kočno and Gorje or the motorway from Jesenice, passing by Žirovnica and Lesce to Bled.

Bled is 50 km away from Ljubljana. The easiest access is the highway toward Jesenice, which you leave at the exit toward Bled or Lipce. The other option is to drive on the regional road, passing by Medvode, Kranj, Naklo and Radovljica.

Vignette. If you are driving on a highway, do not forget to purchase an electronic vignette, which is obligatory in order to drive on Slovenian highways and on bypasses around Ljubljana. Road that require the vignette are marked with signs. You may purchase e-vignettes at service stations near the border with Slovenia or in Slovenia. For more information about e-vignettes visit <https://www.dars.si/>

What to see & do in Bled:

If you wish to visit the main attractions (the Bled Castle, the Bled Island, the Vintgar Gorge), you will need one day. If you wish to see more, however, you should take a couple of days. There are numerous interesting things to see in Bled and several possible activities to explore:

<https://www.bled.si/en/what-to-see-do/attractions/>

Currency

The currency in Slovenia is the Euro (EUR).

You'll have no problem using credit and debit cards in Slovenia, with most major cards widely accepted. Several ATM's (called »bankomat« in Slovenian) are available in Bled; you can withdraw cash 24 hours a day from most of the ATMs around Slovenia using the MasterCard, Visa, Maestro, Cirrus and Visa Electron Plus cards. Once in Bled, you can search your nearest ATM using: <https://najdibankomat.si/en/t/bled>

Climate

The average temperature in the beginning of October in Bled is around 6 °C in the morning and 16 °C in the afternoon. The exact weather is really hard to predict since it can be quite capricious. To see what the weather is currently like, visit <https://www.bled.si/en/information/weather/>.

Local time

The local time is Central European Time: UTC/GMT +1 hour.

Electricity

The voltage of the electricity in Hungary is 220 volts (220V-240V); 50 Hz. The electrical sockets are one of the two European standard types: the Europlug and the Schuko. It is recommended to bring your adapter plug and if needed to bring a transformer for your equipment using different voltage.
